GENERAL DESCRIPTION

LISTEN TO THE OWNER AND TO OUR STAFF ON BOARD, AND WATCH THE ABAYACHTING VIDEO VISIT.

Sacs Rebel 47, born from the design of Cristian Grande to launch a new idea of boat, absolutely unpublished. The deck layout of the Sacs Rebel 47 rewards the walk-around concept, leaving great room for internal movements, all guaranteed in maximum safety even when sailing over 30 knots. From the stern you can access the large platform on which there is a large very generous garage in which you can stow from the tender to the "water toys" to the equipment for divers. From the two wide walkways you can access the bow sundeck, but above all the two extraordinary chaise longues at the bow. Inside there are 4 beds (double bed in the bow and a second double bed in the middle of the boat) and a full bathroom with separate shower.

Used Sacs Rebel 47.
