GENERAL DESCRIPTION

Bavaria C38, never used for charter, owner's version and only one owner since new: the ideal choice for those who want more space, more freedom and more quality time at sea without sacrificing simplicity. The three double cabins and convertible dinette allow you to enjoy cruises with family or friends in total comfort, each with their own space, without compromise. In the cockpit, synthetic teak, the bimini top and the sprayhood create a cosy relaxation area, while the bow thruster makes every manoeuvre simple and relaxed. The code zero with furler provides excitement even in light winds, while the solar panels and Webasto heating extend the season and autonomy. Bright, modern and ready to give you whole seasons of relaxation, autonomy and nights at anchor under the stars. If you are looking for a recent, complete boat designed to really enjoy every outing, this is an opportunity to see for yourself.

Possibility of lease takeover.
