## GENERAL DESCRIPTION

A sturdy and well-equipped boat. In fact, it has a 220v 6 Kw generator, air conditioning, davits for the tender and electronics complete with autopilot. The flybridge is very livable thanks to the bimini and the sundeck. The interior layout consists of 2 cabins, 1 bathroom + the cabin for the crew.

Italcraft Espada 43 Mediterranean used.

Proposed boat with exclusive sales contract. Authorized maritime mediation company.

This boat really exists: we were personally on board, checked the documents and carried out the photo shoot. The engine hours indicated refer to the date of realization of the board.

Book your private live video-visit. 45 minutes just for you. See the complete data sheet directly on our ABAYACHTING website.

The data contained in this sheet are not to be considered contractual.
